

# BE A FACT SCAVENGER!

*Lucy & Andy Neanderthal* not only presents the story of a fictional clan of Neanderthals and their daily life, but author Jeffrey Brown also includes lots of facts and theories about the Neanderthals themselves. Using the book, see how many of these facts and theories you can find. Be sure to include the page number(s) where you found the answer. Hint: sometimes the information can be found on more than one page.

1. The truth about Tiny, Andy's pet

2. The correct pronunciation of the word Neanderthal

3. Whether women worked outside of the "home"

4. Whether Neanderthals used tools and, if so, what tools were used

5. Facts about the woolly mammoth

6. What marrow is, and why it was important to the health of the Neanderthal

7. How Neanderthals might have used plants for medicinal purposes

8. The ways in which Neanderthals used woolly mammoths for more than just food

9. The language system used by Neanderthals

10. Which factors were important when Neanderthals were selecting a cave

11. Where more information about Neanderthals can be found

12. Describe the work of a paleontologist
