

Dear Teacher,

Thank you for picking up our **Letter of the Week Picture Book Kit**. We have long been inspired by your creative crafts, recipes, and activities that get children excited about learning the alphabet, and we'd like to join in on the fun!

Enclosed you will find **26 letter cards**. The front of each card displays the upper-case and lower-case letter with art from a picture book that can be read in class to reinforce the letter. The back of each card has a reproducible activity sheet that allows children to trace and then write the letter, and also includes further book recommendations for reading at school and at home.

You could hang all the cards in your classroom at once as a beautiful alphabet border, or hang them up as each letter is introduced as the focal point of a bulletin board or picture collage.

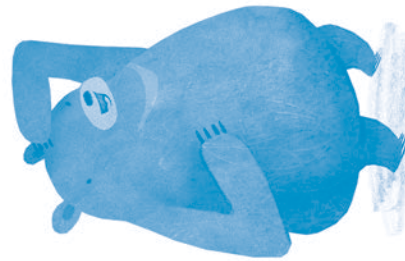

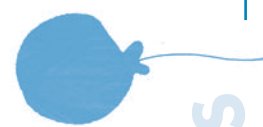

Visit us on the Random House Children's Books Pinterest page for more letter of the week book recommendations and reproducible activity sheets. And let us know if you or a colleague have exciting content that we can pin to our board.

Sincerely,  
Your friends at Random House Children's Books
