

# Set Up Your MR. LEMONCELLO'S LIBRARY Bulletin Board!

- Write your name on the Escape to \_\_\_\_\_'s Library poster and hang it on your bulletin board.
- Hang up the small posters featuring inspiring quotes from the books.
- Hang up the three rebus puzzles. Be sure to fold up the bottom section of each sheet to hide the answers.
- Challenge your students to create their own rebus puzzles using the reproducible on the back of this page. Hang up the students' sheets on the board and have them solve each other's puzzles.
- Visit [ChrisGrabenstein.com](http://ChrisGrabenstein.com) to download Educators' Guides and learn more about the author.

“Discover the coolest library in the world.”

# DECODE THE BOOK TITLE

Create a rebus puzzle that represents a book title. It can be a book featured in one of Mr. Lemoncello's adventures, a book your class has read this year, or any book you love. Write the answer below the dashed line and fold the paper up so that the answer is hidden from your fellow students.

---

Write the book title here and fold it up to hide the answer.
