STEP INTO READING®

Reading Success, Step by Step

STEP INTO READING is a comprehensive leveled reader program designed to give every child a successful reading experience. With five steps to reading proficiency, the line includes popular and licensed characters, non-fiction, phonics readers, sticker readers, and more, all illustrated with colorful art and/or photographs.

Step 1 Readers feature big type and easy words for children who know the alphabet and are eager to begin reading. Rhyme and rhythmic text are paired with picture clues to help children decode the story.

Step 2 Readers use basic vocabulary and short sentences to tell simple stories. They are perfect for children who recognize familiar words and can sound out new words with help.

Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. For children who are ready to read on their own.

Step 4 Readers use challenging vocabulary and short paragraphs to tell exciting stories. For newly independent readers who read simple sentences with confidence.

Step 5 Readers tell stories in chapters using longer paragraphs and are ideal for children who want to take the plunge into chapter books but still like colorful pictures.
