

To the Moon and Back for You

To the Moon and Back for You celebrates the great lengths our moms have gone to have us, and will always go for us! Show how much you love them by making a special card!

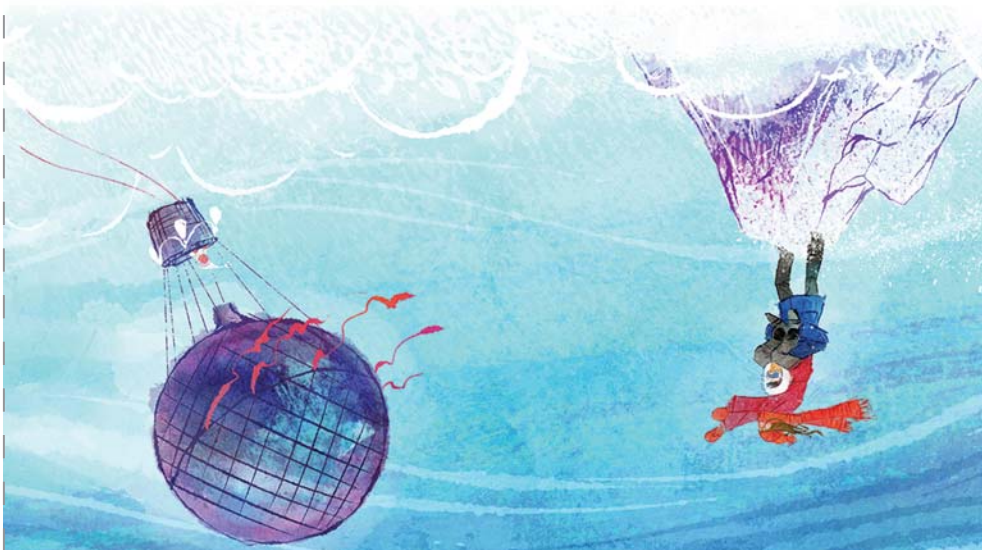

With an adult's help, print this page double-sided on regular paper or print on two sheets and glue or tape back- to-back so it folds as a card. Making sure "Happy Mother's Day" is on the front, cut on the scissor lines and fold in half. Then fill out the card for your mom, and have her fill out the back for you!

Dear _____,

Let Me Tell You How Much I Love You

Family Time Telephone

With an adult's help, cut out the phrases below along the scissor lines, and place them all in a bowl.

Then, have your family sit in a line and have the person closest to the bowl pick out a slip of paper.

That person will whisper the phrase on their slip of paper to the person sitting next to them.

Each person will whisper the phrase to the person next to them until it reaches the last person in line.

The last person will say the phrase out loud so everyone can hear how much it has changed!

I love spending my day with you.

My family members are my best friends.

I would go to the moon and back for my family.

I love my family so much.

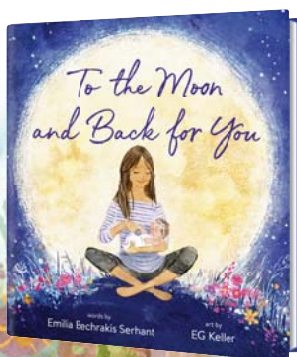

I love seeing my family smile.

Being with you makes me so happy.

You are always in my heart.
